Your policy/claim #: 12345678

Date of Loss: xx/xx/xx

Dear Sir/Madam:

As you know, I represent John Scott in regard to the above referenced automobile accident. I attach for your convenient reference a copy of the police report. Please be advised that in the event that the defendant, _____, is found not to have been driving the vehicle which struck John Scott, this claim will proceed by way of uninsured motorist insurance arbitration.

Because you have been given notice of the pending Superior Court action, the finding in the Superior Court may bind your company on the issue of liability and on the issue of whether plaintiff was injured by an uninsured vehicle. See Parks v. Colonial Penn Ins. Co., 98 N.J. 42 (1984).

This letter is to serve to advise you of the above and of your right to participate in the Superior Court action, which is now pending in _____ County under docket number 1234-93.

Sincerely,
