

## **NOTICE TO THE BAR**

### **FILING FEES – ADDITIONAL CLARIFICATION OF CERTAIN RULE 1:43 FEES; PUBLICATION OF FURTHER UPDATED COMPLETE JUDICIARY FEE SCHEDULE**

Rule 1:43 (“Filing and Other Fees Established Pursuant to N.J.S.A. 2B:1-7”), sets out the schedule of those filing fees and other fees payable to the court that were revised or established as authorized by N.J.S.A. 2B:1-7 (L. 2014, c. 31, § 12), effective November 17, 2014. A December 23, 2014 Notice to the Bar set out, in question and answer format, four specific clarifications as to certain of those fees; that notice also published a full schedule of all court fees.

This Notice provides five additional clarifications, again in question and answer format. The four clarifications in the prior notice remain applicable. As with the previous notice, the intention in providing this information is to minimize the number of documents submitted with an incorrect fee requiring return and resubmission under Rule 1:5-6(c).

This Notice also includes a further updated schedule of all court fees, including those not revised by Rule 1:43. This schedule of court fees supersedes the one published with the December 23, 2014 notice.

The five additional clarifications are as follows:

**Question 1: What is the fee for an Answer to a Cross-claim,  
Answer to a Counterclaim, or Answer to a Third-Party Complaint  
in the Superior Court?**

Answer: Since these Answers are made in response to a new cause of action, there is a fee for filing the responsive pleading to those actions. The fee for each of these document types is \$175.00.

**Question 2: What is the fee for an Order to Show Cause with a Verified Complaint?**

Answer: The fee is \$300.00. Of this, \$250 is allocated to the Complaint and \$50 is allocated to the Order to Show Cause. In cases, where the complaint has been filed, there is a \$50 fee for filing an Order to Show Cause.

**Question 3: What is the fee to file a Warrant of Satisfaction?**

Answer: The fee associated with a Warrant of Satisfaction depends upon whether there is a docketed judgment associated with the matter. The fee to file a Warrant of Satisfaction on a case without a docketed judgment is \$35.00. The fee to file a Warrant of Satisfaction on a case that has a docketed judgment is \$50.00.

**Question 4: What is the appropriate fee for a counterclaim, cross claim, claim for contribution, or third party complaint?**

Answer: Since these actions institute a new claim against one or more parties, for fee purposes they are treated similarly to complaints. The fee for counterclaims, cross claims, claims for contribution, or third party complaints is

\$250 if submitted as an independent, responsive pleading in Civil or in General Equity (including Foreclosure).

When an answer has been filed and the filing party subsequently seeks to file a counterclaim, cross claim, claim for contribution, or third party complaint in Civil or in General Equity, the filing fee is an additional \$75, which represents the differential between the already-paid answer fee of \$175 and the initial pleading fee of \$250. In Special Civil Part (Small Claims section only), the filing fee for a counterclaim is \$30.

**Question 5: Where do judgment creditors submit applications for wage executions?**

Answer: For a docketed judgment filed on a Law Division Civil Part, Chancery Division Family Part, or Chancery Division General Equity matter, the wage application is to be submitted to the vicinage. For a docketed judgment filed on a Special Civil Part matter, the wage application is to be submitted to the Judgment Processing Services Unit of the Superior Court Clerk's Office.
