

Notices to the Bar

Directive #12-83
Issued by:

March 6, 1984
Robert D. Lipscher
Administrative Director

This memorandum is intended as a reminder of my January 14, 1980 memo requesting that all Notices to the Bar be submitted to me for clearance prior to publication in the *Law Journal* and in the *New Jersey Lawyer*.

Please take steps to insure also that any other type of notice or press release issued by court personnel and concerning court related activities within your vicinage is cleared through this office prior to publication in the *Law Journal* or in the *Lawyer*.

Thank you for your cooperation.

EDITOR'S NOTE

The first and second paragraphs have been amended by adding *New Jersey Lawyer*. The Court has also designated the New Jersey State Bar Association's publication, *New Jersey Lawyer*, as an official organ for publication of court notices. Such notices are published now in both papers.
