

Transfer of Cases Between Vicinages

Directive #2-84
Issued by:

July 31, 1984
Robert D. Lipscher
Administrative Director

In order to establish a uniform method of handling such matters, please advise me whenever you wish to transfer a case to another vicinage for reasons other than those enumerated in *R. 4:3-3*. Upon consideration of all the factors involved, the Chief Justice will determine whether a transfer is needed and, if so, to what vicinage an appropriate order will be entered.

Thank you for your anticipated cooperation.
