

Interest on Judgments

Directive #24A-71
Issued by:

July 18, 1972
Edward B. McConnell
Administrative Director

Inquiry has been made of the Supreme Court as to whether *R. 4:42-11(b)*, providing for interest on tort judgments, was intended to be applicable to judgments entered in the Special Civil Part. The Supreme Court has asked me to advise you that *R. 4:42* is made applicable to the Special Civil Part by reason of *R. 6:6-1*, and it is of the view that interest should be awarded under *R. 4:42-11(b)* in the same manner as on judgments in the Superior Courts.

It would be appreciated if you would see that the other judges in your county are so advised.

EDITOR-S NOTE

All references to the "county district court" have been changed to "Special Civil Part." In the last sentence of the first paragraph the reference to the County court has been deleted.
