

Counsel Fees

Directive #3-71
Issued by:

September 30, 1971
Edward B. McConnell
Administrative Director

The Supreme Court has asked me to advise you that in cases in which a party is represented by a Legal Services office and a counsel fee is appropriately awarded to the party so represented, it is of the view that the allowance should be made payable to the Legal Services office which provided the representation rather than to the Treasurer of the United States as was done in the case of *Ferrigno v. Ferrigno*, 115 N.J. Super. 283 (Ch. Div. 1971).

Your cooperation in this matter will be appreciated.
