

Per Diem Reporters C Performance

Directive #45-62
(Combined with Directive #34-64)
Issued by:

April 2, 1963

Mortimer G. Newman, Jr.
Assistant Director

I would like to remind you that supervisors are responsible for the performance of duties of per diem reporters they engage in court. The duties of a per diem reporter include the furnishing of transcripts within the time prescribed by the rules. When per diem reporters consistently fail to file transcripts within time, you should not continue to use their services in court.

EDITOR'S NOTE

This directive has been combined with Directive #34-64, excising all obsolete portions and retaining the first paragraph of Directive #45-62 and the last paragraph of Directive #34-64.
