

State Reporting Requirements on Wiretapping

Directive #7-93
Issued by:

August 24, 1993
Robert D. Lipscher
Administrative Director

Wiretap judges are required to send reports to me on each individual application for wiretapping, *N.J.S.A. 2A:156A-22*, as well as annual reports, *N.J.S.A. 2A:156A-23*. In 1972, the LR-7 and another form were issued to handle these reporting requirements. Recent changes in the Wiretap Act, see P.L. 1993, c.29, have made it necessary to amend these forms. The first form (ADO182) is to be used now to report on applications for wiretapping. The second form (ADO183) is to be used for filing the required annual report on wiretapping. Should you have any questions regarding these forms please call (609) 633-2756.
