

## **Wage Executions C Objections**

Directive #7A-70  
Issued by:

February 8, 1971  
Edward B. McConnell  
Administrative Director

It has come to the attention of this office that, in some cases, when objections to wage executions are filed with the county clerk, pursuant to *R. 4:59-1(d)*, they have not been brought to the attention of the appropriate court.

Accordingly, it is requested that, when such objections to wage executions are received by county clerks, they be forwarded to the court with which the application for wage execution has been filed. The address of the appropriate court appears on the notice of wage execution received by the defendant.

### **EDITOR-S NOTE**

The only change has been to update *R. 4:59-1* by replacing subsection (c)(3) with subsection (d). Subsection (c) was redesignated (d) by the amendment of July 21, 1980.
